4.2.14. Review of Interest Subsidy Scheme for Housing the Urban Poor - ISHUP

1. Background

1.1 **“Affordable Housing for All”** is an important policy agenda of the Government of India. The Government of India has sought to create an enabling and a supportive environment for expanding credit flow to the housing sector and increasing home ownership in the country. Various policy pronouncements have reinforced the primacy of the housing sector and the need to provide shelter opportunities to everyone.

1.2 As per the Technical Group set up by the Ministry of Housing and Urban Poverty Alleviation (MHUPA), Government of India, in year 2007, the estimated urban housing shortage was 24.7 million units. Of this shortage, 99% is related to EWS and LIG segments.

1.3 In the National Urban Housing & Habitat Policy, 2007 a demand driven approach, ranging from subsidy based housing schemes to cost recovery-cum-subsidy schemes for housing through a pro-active financial policy including micro-finance and related self-help group programmes, has been advocated. The policy seeks to devise innovative housing finance schemes for targeting the two segments – EWS & LIG with suitable support from Central and State Governments to increase flow of finance for catering to housing needs of these segments.

1.4 The Government had approved an Interest Subsidy Scheme for Housing the Urban Poor (ISHUP). The scheme seeks to supplement the efforts of the Government through the JNNURM to comprehensively address the housing shortage. The beneficiaries to be covered under JNNURM are to be excluded under the coverage of the present scheme. The

interest subsidy on housing loans for the urban poor will enhance affordability besides leveraging funds from the market for lower segments. Under this scheme, a subsidy of 5 per cent per annum is given upto a loan of Rs 100,000/- . The loan repayment period would be 15-20 years.

2. Salient Features of the Scheme

- The Scheme is expected to leverage flow of institutional finance for the EWS and LIG segment households over the next 4 years (2008-12) till the completion of 11th Plan. Households with monthly income of upto Rs 3,300 are classified as EWS while those with monthly income between Rs 3,301 and Rs 7,300 are termed LIG.
- the Scheme is to enable EWS and LIG households to avail affordable housing loans for purchase of house/construction of new house.
- Loan repayment periods will be permissible generally ranging from 15-20 years. The subsidy will be 5% p.a. for EWS and LIG, admissible upto a loan of Rs. 1 lakh over the full period of the loan. However, loan for higher amount may be given subject to approved appraisal standards of the PLI but subsidy will be restricted upto a loan of Rs. 1 lakh only. The loan extended in the last year of the Plan Period will also have repayment period upto 20 years.
- Beneficiary borrowers may choose fixed or floating rates (the consequences clearly explained to the borrowers by PLIs). An additional interest of 1% p.a. (maximum) may be permitted to be charged by banks/HFCs if fixed rate loans are extended which will be subject to reset after a minimum period of 5 years.
- Mortgage of the dwelling unit be accepted as primary security. However, there would be no collateral security/third party guarantee for loans upto and inclusive of Rs 1 lakh excluding group guarantee. No levy of prepayment charges would be permitted.
- The Net Present Value (NPV) subsidy will be given to the lenders upfront and on quarterly basis in respect of the loans disbursed in the previous quarter. The NPV subsidy given to the lender will be deducted from the principal loan amount of the borrower, who will then have to pay interest to the PLI at an agreed interest rate on reduced balance for the entire tenor of the loan. The advantages of this method is as under:
 - The interest subsidy directly accrues to the benefit of the borrower upfront reducing his principal outstanding amount.
 - The EMI for any beneficiary type is lower than in a situation where the interest subsidy is disbursed through the loan period quarterly.
 - The transactional complexity of administering and accounting of provision of subsidy disbursal through quarterly loan periods as well as cost involved for the PLIs claiming subsidy periodically from National Housing Bank (NHB)/HUDCO on behalf of Government of India effecting payments, is reduced.

- Interest subsidy of 5% will be provided on loan amount upto Rs.1, 00,000/- for the loan duration of 15-20 years. The benefit of the Scheme in terms of reduced EMI is illustrated below:

Loan duration	Loan Amount (Rs.)	Rate of Interest	EMI without interest subsidy (Rs.)	EMI after interest subsidy (Rs.)	Reduction in loan amount after adjusting interest subsidy (Rs.)
15 years	Rs. 1,00,000/-	9%	1014	716	29,325/-
20 years	Rs. 1,00,000/-	9%	899	578	35,740/-

- The lenders prefer the upfront adjustment mechanism not only for reasons of administrative convenience but also for facilitating credit risk evaluation. This is because the borrower's equity in the house goes up and the loan to value ratio comes down. This should also facilitate greater coverage of borrowers.
- Under the scheme, preference (subject to beneficiaries being from EWS/LIG segments) will be given to Scheduled Caste, Schedule Tribe, Minorities, Person with disabilities and women beneficiaries in accordance with their proportion in the total population of city/urban agglomerate as per the 2001 Census.

3. Implementation of ISHUP Scheme

- 3.1. NHB and HUDCO, as central nodal agencies, are responsible for administering the subsidy to the eligible institutions and submitting utilization certificates after obtaining them from the PLI's. So far 15 Banks and 6 HFCs have entered into MoU with NHB for as implementing agencies.
- 3.2. Under the Scheme, State Level Nodal Agencies have to play an important role in assisting the lenders in identifying beneficiaries and undertaking the verification as per guidelines of the Scheme. State Government of Rajasthan may identify the nodal agency at state and district levels various for identification and certification of the bonafides of the beneficiaries. The State Government may also fix district wise targets which may be conveyed to SLBC Convenor in fixing of Bank-wise targets.
- 3.3. The loan sanctioned /disbursed since the inception of the Scheme i.e., December 26, 2008 may to the eligible categories of borrowers may be considered for subsidy claim from either of the Central Nodal Agency.
- 3.4. NHB has provided the list of implementing agencies, subsidy claim formats and a simulation technique for computation of subsidy at its website www/nhb.org.in which may be consulted by the Bankers/HFCs.
- 3.5. Copy of the ISHUP Scheme is enclosed for the ready reference.

**MINUTES OF MEETING OF THE SUB-COMMITTEE OF SLBC
ON PENDING ISSUES
Held on 27.03.2010 at South Conference Hall, Government Secretariat, Trivandrum**

The meeting commenced at 11.30 a.m. with **Dr. P. Prabhakaran IAS**, Additional Chief Secretary, Finance Department, Government of Kerala in the chair. The list of participants is annexed.

Sri. N. R. Venkataramani, General Manager, Canara Bank & Convener, SLBC, Kerala welcomed the participants and informed that as per the decision of the 100th meeting of SLBC, Kerala held on 21.12.2009 in Trivandrum sub-committees have been formed exclusively for sorting out the long pending issues with different Government Departments. The meeting was convened as per the convenience of Additional Chief Secretary(Finance).

Sri. Venkataramani , General Manager, Canara Bank, then presented the issues one by one.

1. Exemption of surcharge for certificate of sale under SARFAESI Act/Rules 2002

The Sub-Committee noted that the issue was discussed in the 94th meeting of SLBC held on 24.12.2007, State Level Review Meeting 2008 & 2009 and 100th SLBC.

The Sub-Committee noted that the surcharge payable for certificate of sale of property was exempted by State Government vide G.O.(MS) 495/62/2D dated 12.06.1961 and G.O(MS) 552/63/DD dated 15.07.1963. However the exemption was not made available for certificate of sale issued under SARFAESI Act. Hence banks found it difficult to mobilize/locate prospective bidders/buyers for sale of properties under SARFAESI Act and difficulty to realize defaulted/NPA Accounts

The Sub-committee also noted that the Principal Secretary, Taxes (E) Department, Government of Kerala vide letter No.24898/E2/09/TD dated 07.12.2009, informed that the exemption of surcharge for certificate of sale under SARFAESI Act/Rules 2002 and Amendment/notification in Kerala Registration Rules empowering the Sub-Registrar Office to make entry of possession of immovable properties by banks under SARFAESI Act, in Book 1, cannot be considered favourably. This would affect the revenue to Government – hence rejected.

Responding to the issue, **Sri. A. K. Ramakrishnan**, Inspector General, Registration Department, Government of Kerala informed that ***as per the recent amendment in the Finance Bill, surcharge duty would be abolished with effect from 01.04.2010.*** Hence the issue may be treated as resolved.

In the light of the above clarification, the Sub-Committee decided to inform the SLBC accordingly and recommend to drop the item from the list of pending issues of SLBC.

2. Amendment/modification in Kerala Registration Rules empowering the SROs to make entry of possession of immovable properties by banks under SARFAESI Act, in Book I

The Sub-Committee noted that the issue was discussed in the 94th meeting of SLBC held on 24.12.2007, State Level Review Meeting 2008 & 2009 and 100th SLBC.

The Sub-committee also noted that the Principal Secretary, Taxes (E) Department, Government of Kerala vide letter No.24898/E2/09/TD dated 07.12.2009, informed that the exemption of surcharge for certificate of sale under SARFAESI Act/Rules 2002 and Amendment/notification in Kerala Registration Rules empowering the Sub-Registrar Office to make entry of possession of immovable properties by banks under SARFAESI Act, in Book 1, cannot be considered favourably.

Sri. A. K. Ramakrishnan, Inspector General, Registration Department, Government of Kerala informed that unless suitable amendment is made in the Registration Act Section 89, empowering the SROs to make an entry of possession of immovable properties under SARFAESI Act 2002, Department could not do anything.

Dr. P. Prabhakaran IAS, Additional Chief Secretary, Finance Department, Government of Kerala requested SLBC Convenor to further examine the matter at SLBC level and to take up the matter once again with the concerned Department if suitable modification / amendment was found necessary.

The Sub-Committee decided to examine the matter at SLBC level and if found essential by the forum, to again take up with the concerned Department so that the matter of amendment may be taken up at the Government Level.

3. Notifying More Centres for Equitable Mortgage

Sri. N. R. Venkataramani informed that the matter was a long pending issue since 2005. Declaring all areas with Sub- Registrar's Office, as notified centres for creation of EM, would help the indenting borrower so that the relevant documents could be kept in possession of the branch at the identified centre from where loans are granted, quicker disposal of customers, borrowers need not travel to distant places for depositing their title deeds and there was no other complexities to the Government. He added that this would more flexible for the purpose of EMT creation and that there was no revenue loss for the government.

Dr. P. Prabhakaran IAS, Additional Chief Secretary, Finance Department, Government of Kerala requested the IG, Registration Department to see whether the department can further facilitate this for administrative convenience.

Sri. A. K. Ramakrishnan, Inspector General, Registration Department, Government of Kerala informed that the issue would be presented before the Principal Secretary for further action.

Dr. P. Prabhakaran IAS, Additional Chief Secretary, Finance Department, Government of Kerala requested SLBC Convenor to take up the matter with the Taxes Department for a final decision.

4. First Charge claimed by Sales Tax Department

The Sub-Committee noted that the issue came up for discussion during the SLRM 2009 and 100th SLBC.

The Sub-Committee also noted that the Principal Secretary, Taxes (C) Department, Government of Kerala, vide letter No.14496/C3/2008/TD dated 14.01.2010, informed that the constitutional validity of section 38 of the KGST Act has been upheld by the Hon. Supreme Court of India in the case – Central Bank of India Vs. State of Kerala and others (C.A 95/05). Hence the request could not be considered in the interests of revenue.

Dr. P. Prabhakaran IAS, Additional Chief Secretary, Finance Department, Government of Kerala quoted the above and said that Government would take efforts in other viable proposition of any fundamental reality. He also clarified that the dues to the government are of prime importance and suggested that Bank should find out alternative ways so that the dues to the banks are also ensured in the process if such attachments are brought in. As per the extant guidelines in force, the first charge would always be for recovery of Government dues only. In case any viable suggestions could be suggested by SLBC / Banks it could be examined.

In the light of the above clarification, the Sub-Committee decided to inform SLBC accordingly and to recommend for dropping the item from the list of pending issues of SLBC.

5. Introduction of Computerization in Revenue Recovery

The Sub-Committee noted that the issue came up for discussion during the 100th Meeting of SLBC held on 21.12.2009 and this was only for information.

Representative of **National Informatics Centre (NIC)** informed that on line process of revenue recovery was established in Taluk Offices in Malappuram, and Palakkad Districts with the support of banks. He added that Software was ready and working in fine. The one line process for Revenue Recovery would be started in 9 districts of the State which would be depends upon the number of Taluk Offices and staff. He requested SLBC to give suitable direction to the Lead Bank Offices of other districts also to extend their support in establishing the process.

Sri. N. R. Venkataramani assured to take up the matter with Lead Banks and to adopt a uniform process in the matter for implementation in all the taluks / Districts on a cost sharing basis depending on the number of branches in the district.

6. Settlement of Guarantees issued by the State Government

The Sub-Committee noted that the matter was a long pending issue with Government since 2002 in some cases. The Guarantees invoked by banks if not honoured by State Government are to be classified as NPA and Banks are to make huge provisions for the same in their Balance Sheet. The committee then took up the following State Government Guarantees invoked by banks but not honoured by the Government.

Sl. No.	Name of the Company	Bankers	Guarantee Invoked on	Present Position
1	M/s Keltron	SBI, Canara Bank, SBT, IOB	23/03/2005	OTS permitted as per consent decree and amount upto 31.03.2010 remitted to banks.

14	M/s. Kerala Agro Industries Corporation	Canara Bank	23.12.2006	Omitted to discuss by oversight

Concluding the discussion on the issue **Dr. P. Prabhakaran IAS**, Additional Chief Secretary, Finance Department, Government of Kerala requested SLBC to collect the details of the position of accounts which are guaranteed by the Government of Kerala to the Secretary, Industries Department at least at Quarterly intervals. He suggested that where guarantees are invoked the report may be made in two parts:

- (i) detailed list accounts where revival package could be possible
- (ii) list of dead cases which are beyond the purview of revival .

It was hence agreed to adopt the above system from the next quarter so that a meaningful follow up could be made.
