To,

All Member Banks

29th Advisory regarding precautionary measures to be followed to avert the spread of second wave of Covid 19

During the spurt of COVID-19 pandemic last year, SLBC had issued various advisories, with the intention to reduce the spread of disease and ensuring safety of Bank staff. Simultaneously, the Bank employees, like true Covid Warriors, had followed the guidelines and precautionary measures and ensured prompt delivery of the Banking services to the general public, even during this tough and unprecedented time.

Now, the second wave of COVID, which has hit India is causing a wide surge of infections and is reported to be of much higher intensity than the first wave. We had requested the Government for the urgent need of vaccination to all the Bank employees and we are happy to inform that DFS has already taken up the matter with the Ministry of Home Affairs for the implementation of the same vide their letter F.No.12/1/2020-BO.II dated 07.04.2021.

However, we request all the Member Banks to be cautious and follow all the precautionary measures as communicated to you vide our previous advisories.

Some of the most important measures to be followed are reiterated here below:

1. Advice the customers to use mask and sanitizer while entering the branch premises.
2. Bank Branch staffs should also use mask and sanitizers.
3. Social distancing to be ensured at Bank branches.
4. Limiting the number of customers at a time in the branch.
5. Encouraging the use of digital banking platforms among the customers.
6. All precautions to be taken to ensure the safety of staff members.
7. Customers should be made aware about the need for the various precautionary measures to be followed to avert the spread of the virus.
