Advisory regarding functioning of bank branches in the State of Kerala on the back drop of COVID-19

In view of the lockdown on account of COVID-19 pandemic, SLBC had issued various advisories, the last of which was dated 31-03-2020, with the intention to reduce the spread of disease and ensuring safety of Bank Staff. We infer that currency notes are a probable threat for spread of Coronavirus. Health Department has also opined that Coronavirus could sustain on infected currency notes for about 12 hours.

In the wake of above, it is advised to all banks that inward currencies at branches should not be re-cycled. The inward currencies are to separately wrapped in packets with date and to be recycled only after 48 hours.

The above has to be scrupulously followed. Let us ensure to take all potential steps to prevent the spread of COVID-19.

Kindly ensure the safety of staff members by wearing mask/gloves, using sanitizers and ensuring social distancing.
